

Circular 24

23 April 2015

Dear Grade 10 Geography Parent

On Wednesday, 29 April 2015, the Geography Department plans to undertake an excursion to the False Bay coast. Boys will start off at Muizenberg, from where we will walk along the coastline and investigate the rock strata and stratification processes in the Kalk Bay caves. The excursion will end at the Kalk Bay harbour, after we have looked at its economic impact on the lives of its residents. Your son will be given the opportunity to also make an economic impact by buying lunch from one of the outlets at the harbour, so please give him at least R50 to do this. (*Please note that boys are not obligated to make a purchase and may bring a packed lunch instead.*)

As this is a normal school day, your son is expected to go along. Please ensure that he carries a healthy snack and at least 2 bottles of drinking water. The dress is Wynberg Sports Kit (navy shorts/ school tracksuit and white golf shirt, both with school logo). The boys are advised to wear comfortable walking shoes or hiking boots (no slip slops).

We will depart from school at 08h10 and busses will drop boys off in Muizenberg. Boys will be collected from Kalk Bay and we will return via the same route. We should be back at school by 14h30.

Kindly **complete the adjacent Parental Consent Form** which your son has to **return to** his **Geography teacher** by *no later than **Tuesday, 28 April***. Absence will be followed up and boys who do not return parental consent forms will spend a normal day at school.

We trust that you will support our efforts to enrich your son's academic experience, not just for school, but for life.

Yours faithfully

MRS S GORDON
SUBJECT HEAD: GEOGRAPHY

MR P VAN SCHALKWYK
DIRECTOR: DAILY OPERATIONS

PARENTAL CONSENT FORM

SCHOOL OUTINGS AND SPORT TOURS - Circular 24

I,(name and surname of parent/guardian), the undersigned, being the parent/guardian of (name and surname of learner) give him permission to attend the **Grade 10 Geography Excursion** which is being held along the **False Bay coastline** on **Wednesday, 29 April 2014**.
